by San Antonio Housing Trust**

SAHT sought area nonprofit that aligns with its mission to lease former  
headquarters

(San Antonio, TX - March 12, 2024) - The San Antonio Housing Trust Foundation, a 501(c)(3), has partnered with disABILITYsa to occupy a historic farmhouse owned by the Foundation, which served as their headquarters from 2001-2023. As part of a five-year lease agreement, disABILITYsa will pay only \$1 per year to lease the property and will in turn commit to preserving & maintaining the historic building as well as provide accessibility improvements to serve their needs.

The partnership is a result of an RFP released by the Foundation for opportunities with local nonprofits that align with San Antonio Housing Trust Foundation's mission and the City of San Antonio's Strategic Housing Implementation Plan.

The home, located at 2515 Blanco Road, San Antonio, The McIlvaine Farmhouse was constructed in 1891. In 2001, the San Antonio Housing Trust Foundation moved the 110-year-old McIlvaine Farmhouse to its current address at 2515 Blanco Road. In 2004, the San Antonio Housing Trust Foundation renovated the Farmhouse for its Executive Offices.

"One in seven San Antonian's has a form of disability. disABILITYsa pushes to ensure all San Antonian's are equally represented in key systems such as housing, health, and transportation."

"This opportunity has provided disABILITYsa with leverage to build our capacity both in staff and facilities further supporting the growth of our programs," said Melanie Cawthon, Co-Founder/CEO, disABILITYsa. "As we work toward a vision where San Antonio is the #1 community where people with disabilities want to live, learn, work, and play; we depend on strategic partnerships, like the one we have with the SAHT, to help change and improve the way we include disability considerations in the future planning of our community."
