

Precious Minds, New Connections

June 2009

Precious Minds New Connections is...

a nurturing program for parents and caregivers of children ages 0 – 4 ; attention is given to children with disabilities, developmental delays or related risk factors, a chance to gather together with other parents to share experiences, ideas and support.

Topics include:

- infant and child development,
- effective discipline,
- brain development,
- nurturing parenting routines,
- learning how to tell if a child may have special needs and how to address them,
- ways to build self-esteem and self-confidence in children.

Families will receive the following **at no cost:**

FREE group sessions of *The Nurturing Program*,

FREE child care from qualified child care providers and behavioral therapists.

FREE light meal,

A framed certificate upon completion and a zoo ticket for the whole family.

And **FREE ZOO ticket** for the family

Call 826-4492 to register or learn more.
